Topics in Urban Sociology. Historical and contemporary developments in urban sociology including the local community. Emphasis will vary depending on current issues and research, such as classical and contemporary theory and research, urban political economy, community organization-development, community relations, and the non-profit sector (community assessment, social activism ...** **Prison gangs, norms, and organizations - ScienceDirect** **Highlights** Inmates provide governance with the use of norms and organizations. Norms fail when the inmate population is large, increasingly crowded, and includes a higher proportion of first-time inmates. Prison gangs provide an alternative to norms for governance. The credible threat from prison gangs gives them a comparative advantage in self-enforcing exchange in contraband markets. **Criminal Justice Program** Please see Admission section of this catalog. The same standards for admission to the University apply to the Criminal Justice Program.
